

IMPACTS ON HEALTH CARE SERVICES

Sect. 999.5(d)(5)(A)

A copy of the two most recent “community needs assessments” prepared by applicant for any health facility or facility that provides similar health care services.

A copy of the Applicant’s 2016 community health needs assessment is attached (Tab (5)(A) – 1). In 2013, the Applicant engaged in a collaborative effort with other health care providers and stakeholders in Kern County, including, in addition to the Applicant, Dignity Health (Mercy and Memorial Hospitals), Kaiser Permanente and San Joaquin Community Hospital to produce the 2013 Health Needs Assessment for Kern County, which is attached following the Applicant’s 2016 community health needs assessment (Tab (5)(A) – 2).
