

OTHER PUBLIC INTEREST FACTORS

Sect. 999.5(d)(7)

The written notice of any proposed agreement or transaction set forth in section 999.5(a)(1) of these regulations shall include a section entitled "Other Public Interest Factors" that contains any other information the applicant believes the Attorney General should consider in deciding whether the proposed agreement or transaction is in the public interest.

The Applicant believes that all information of relevance to the Attorney General's determination of whether the proposed transaction is in the public interest is found elsewhere in this notice, and there is no other information the Applicant believes is relevant to this determination. In response to the Applicant's inquiry, Adventist Health has similarly indicated that it is not aware of such additional information.
